DISCOVER OUR FITNESS CLASSES

SOMETHING FOR EVERYBODY AT EVERY LEVEL

AQUA AEROBICS

A fun, low-impact, high-energy workout using water resistance and specialised equipment. Perfect for all ages and abilities — great for joint health, toning, and boosting cardiovascular fitness.

BODY BURN

Full-body strength training with light to moderate weights and high reps. Target your major muscle groups with squats, curls, lifts and presses to tone, sculpt, and burn fat.

MOBILITY & CORE

Focus on flexibility, joint health, and core strength through controlled movements and targeted stretches. Ideal for improving posture, stability, and overall body awareness.

HIIT (HIGH-INTENSITY INTERVAL TRAINING)

Short bursts of intense effort followed by brief recovery. This dynamic class is designed to torch calories, improve endurance, and get results - fast.

SCULPT & TONE

A low-weight, high-rep workout that enhances circulation, metabolism, and overall definition. Great for shaping your body and building lean muscle tone.

STRETCH & STRENGTHEN

Build functional strength, improve balance, and increase mobility through intentional, low-impact movements. A great complement to any training plan or active lifestyle.

KIDS SWIMMING LESSONS

Fun, structured swimming lessons for children, running from September to June. Taught by qualified instructors in a safe, supportive environment, perfect for building water confidence and swimming skills at any level.
